V1610 MEN'S STANDARD VENTED COVERALL

FLAME RESISTANT   **CATEGORY 2**

This vented coverall has a great look and fit. It features five pockets and concealed YKK® non-sparking front zipper and 100% brass press stud covered on the inside, so no brass comes in contact with your skin. Major seams are double-stitched, with stress points bar-tacked for added strength. 2'/50mm FR reflective tape applied to shoulders, arms and legs.
