

WORX STYLE #5057 MEN'S SLIP-ON

SD STATIC DISSIPATIVE

ST STEEL TOE

SR SLIP RESISTANT

This durable and comfortable value-priced work shoe provides everything needed to stay productive and protected in a variety of light-duty environments. Its cement construction and TPU midsole provide lightweight flexibility and comfort on the go, while the black Goodhue leather upper stands up to scratches and abrasion. A steel safety toe and static-dissipative protection add yet another layer of defense, and the removable EVA footbed provides extra cushion for walking on concrete and other hard surfaces. Underneath, the EssentialsLite outsole delivers best-in-class slip resistance. This is the ideal safety footwear for everything from service, transportation and manufacturing to warehousing and municipality work.
