

ProGloves™

Safe handling of chain saws begins with Elvex ProGloves™ with protective padding that stops the cutting action in seconds.

JEGLV-50

ProGloves™

Provides critical layers of Prolar™ where protection is needed the most— on the back left hand.

Product Features:

- Prolar™ protection on back of left hand, effectively jams chain to quickly stop cutting action. Certified to world's leading standard: CE EN 388:4244 and CE EN 381-7, Design A/B, Class 1-20(m/s).
- Premium grade, soft, durable cowhide leather palms, provide superior grip and durability.
- Extended leather cuffs with Velcro™ closure, customizes fit and keeps out saw dust, chips and debris.
- Rugged, wet-weather construction, water-resistant nylon fabric on upper side and suede skin on the inside for better wet weather gripping power.
